Recruitment Notice

Applications are invited from eligible candidates for one position of Junior Research Fellow (JRF) under a UCOST-sponsored research project entitled "Gainful Employment to rural people of Jaunpur Region of Uttarakhand by setting of small enterprises based on Natural Dyes from Indigenous Plants".

Essential Qualification

M.Sc. in Chemistry from a recognized university.

Project Duration

The initial duration of the project is 6 months, with the possibility of extension subject to availability of funds and satisfactory performance.

Nature of Work

The selected candidate will be involved in:

1. Field visits for collection of dye-yielding plant materials.
2. Laboratory work related to isolation, purification, and chemical characterization of plant constituents

Date of Joining

The position is available from 1st February onwards, and the selected candidate is required to join immediately upon receipt of the offer letter.

Application Procedure:

Interested and eligible candidates are requested to send their biodata/CV via email to ruchi_badoni26@yahoo.com

Selection Process

Shortlisted candidates will be informed and called for an interview with

Dr. Ruchi Badoni Semwal, Principal Investigator
(Head, Department of Chemistry, MPG College, Mussoorie)

Dr. D. K. Semwal, Co-Principal Investigator
(Officer In-Charge, Faculty of Biomedical Sciences, Uttarakhand Ayurved University, Dehradun)

Final selection will be based on suitability for the project.
